The Earnest Money will be deposited with First American Title Insurance Company ("Escrow Agent") pursuant to the escrow agreement attached hereto as EXHIBIT "B" and incorporated herein by reference (the "Escrow Agreement"). The execution of this Agreement by SELLER and BUYER shall constitute execution of the Escrow Agreement. The execution by Escrow Agent of EXHIBIT "B" shall constitute acknowledgment of receipt of the Earnest Money stated in Paragraph 1(a). The Earnest Money shall be non-interest bearing to BUYER and, except in the case of default by SELLER, non-refundable to BUYER. The Earnest Money will be applied as part payment of the Purchase Price at Closing. Escrow Agent will hold and disburse the Earnest Money in accordance with the terms and provisions of this Agreement.

(e) This is a sale in gross of tracts and not a sale by the acre of land. There is no warranty of acreage and there shall be no adjustment in the Purchase Price for any acreage discrepancies.

(f) This is an all-cash sale and purchase, and is NOT contingent upon obtaining financing even though BUYER may apply to a lending institution of BUYER's choice for a loan. BUYER understands and agrees that neither receipt of a commitment from such a lending institution, acceptance of such a commitment, nor satisfaction of a condition set forth in such a commitment shall in any way be a condition of BUYER's obligations under this Agreement.

2. **DEED.** It is understood that the Land will be conveyed by LIMITED WARRANTY DEED ("Deed") limiting SELLER's warranties to claims arising by, through or under SELLER and subject to current taxes, any other provision referred to in this Agreement, existing cemeteries, if any, easements, encroachments, servitudes, covenants, restrictions, zoning ordinances, rights-of-way, outstanding mineral interests, riparian rights, title to lands lying below the mean high water line of any bodies of water, all matters apparent from inspection of the Land or the public records, and the matters set forth in the title commitment described in Paragraph 6 herein (collectively the "Permitted Exceptions"). No warranty as to exact acreage will be made.

3. **SELLER'S COSTS.** SELLER shall only pay for SELLER's attorney's fees, the preparation of the Deed, SELLER's prorated amount of ad valorem taxes, and SELLER's real estate commission per Paragraph 12(i). SELLER shall also pay 2% commission on the High Bid Price to BUYER's participating broker, pursuant to the terms set forth in Paragraph 21.

4. **BUYER'S COSTS.** BUYER shall pay all other transaction and closing costs, including any sales tax imposed on the transfer of personal property, title update fees, the survey as described in Paragraph 8, title insurance premium, any additional BUYER's broker's real estate commission not paid per Paragraph 3, if any, and all recording or filing fees, documentary, transfer and stamp tax on the deed, closing fee of title company, title agent or closing attorney, local or county assessments, and BUYER's prorated amount of ad valorem taxes pursuant to Paragraph 5.

5. **TAXES.** Ad valorem taxes for the year of closing shall be prorated between BUYER and SELLER as of the date of closing based on the amount of the latest taxes assessed against the Land, less the maximum discount for early payment. BUYER shall pay ad valorem taxes for the date of Closing. SELLER shall not be responsible for any portion of increased taxes resulting from any use changes initiated or pursued by BUYER or as a result of BUYER's actions with regards to the Land, or change in the use of the Land from its present designation. BUYER's portion of the prorated ad valorem taxes shall be payable to SELLER at Closing and SELLER shall be responsible for making the payment for the taxes for the year of Closing.

6. **TITLE EXAMINATION AND CLOSING.**

(a) SELLER shall convey to BUYER a good and marketable fee simple title by LIMITED WARRANTY DEED, limiting SELLER's warranties to claims arising by, through or under SELLER, subject to the Permitted Exceptions. BUYER acknowledges receipt of a copy of the title commitment issued by First American Title Insurance Company ("First American") covering the Property indicating that the title is marketable. BUYER shall pay all title insurance premiums, fees, costs, charges, and expenses in connection with any title insurance policies, endorsements, title updates, other title insurance, or further evidence of title which BUYER desires to obtain.

(b) The consummation of the purchase and sale transaction contemplated herein (the "Closing") shall take place at the offices of _____ or as a mail-away escrow-style closing through Escrow Agent on the applicable dates as follows (the "Closing Date"), with more specific dates to be determined between the parties:

<u>DATE</u>	<u>TRACTS</u>
May 10-14, 2010:	Auction A (April 9)
May 17-21, 2010:	Auction B (April 10 morning)
June 7-18, 2010:	Auction C (April 10 afternoon)

7. **DEFAULT BY BUYER OR SELLER.** In the event of default by SELLER, SELLER's liability shall be limited to the return of Earnest Money. In the event of default by BUYER, SELLER shall retain the Earnest Money as liquidated damages and as SELLER's sole remedy. BUYER and SELLER agree that the Earnest Money is a reasonable amount for liquidated damages sustained by SELLER upon default by BUYER because of the uncertainty in ascertaining actual damages.

8. **SURVEY.** SELLER has caused a closed traverse survey of the Property to be made by a registered Georgia surveyor, a certified copy of which will be delivered to BUYER at Closing. The legal description of the Property shall be based on the survey. BUYER will reimburse SELLER at the rate of \$30.00 per surveyed acre. BUYER is also responsible at closing for paying the surveyor at a rate of \$0.35 per linear foot for any interior lines that need to be surveyed following the auction.

9. **RECORDING.** This Agreement shall not be recorded without the express, prior written consent of both parties hereto.

10. **DOCUMENTATION.** SELLER's counsel shall have the right to receive such certified articles and bylaws, trust documents, or partnership documents, good standing certificates, tax certificates, incumbency certificates, certified resolutions, opinions of legal counsel, guaranties or other evidence as it may reasonably require to ensure the validity and enforceability of this Agreement, and any other instruments or documents delivered in connection therewith. At closing, SELLER shall furnish to BUYER an assistant secretary's certificate certifying the representations and warranties of SELLER contained herein to be true and correct in all material respects and certifying the authority of the signatories to the closing documents – no other documentation will be provided except as may be agreed by SELLER in its sole discretion.

11. **POSSESSION/INSPECTION.**

(a) BUYER shall have the right to enter upon and take possession of the Land from the date of Closing.

(b) BUYER is given the right to enter upon the Land by license from date of this Agreement through Closing to conduct thereon such surveys, tests, and examinations as BUYER deems necessary, pursuant to Paragraph 16, upon the express condition that BUYER shall exercise its privileges under this right of entry at BUYER's own risk and its sole cost and expense. Such license shall not operate to extend the Closing hereunder in any manner. BUYER agrees to notify SELLER prior to its initial entry upon the Land and prior to surveying or conducting tests. Access by BUYER or its employees, agents, contractors, consultants, surveyors, engineers or other party by or through BUYER shall be limited to reasonable daylight hours. BUYER shall defend, indemnify and hold SELLER and its affiliated or related companies harmless from and against any and all liability for injury, damage, cost, loss and expense (including attorney's fees and expenses) resulting from, arising out of, or in any way connected with BUYER's or its agents', contractors', invitees' or guests' use and occupancy of the Land, whether such injury or damage is sustained

by BUYER, SELLER, or any third party. BUYER shall further defend, indemnify and hold harmless SELLER from any cost, charge or claim arising under or by reason of any work performed at or upon the Land by engineers, environmental consultants, surveyors or other agents or contractors performing services at the request of BUYER. SELLER shall not be liable to BUYER, if for any reason, BUYER's occupancy or use of the Land shall be hindered or interrupted for any reason whatsoever. The provisions of this Paragraph 11(b) shall survive any termination of this Agreement or Closing hereunder.

(c) In the event that the Land is not acquired by BUYER, BUYER agrees to restore the Land to its pre-assessment/investigation condition. BUYER agrees that where it is unable to restore said Land, it will compensate SELLER for any such damage that may be done to timber or the Land. The provisions of this Paragraph 11(c) shall survive any termination of this Agreement.

(d) SELLER advises BUYER that the Land or portions of it may be situated in remote locations, without paved access roads. The presence of such roads or their condition is not guaranteed in any way by SELLER. BUYER acknowledges that there may be certain inherent risks associated with conducting its intended due diligence activities on the Land due to the primitive/unimproved nature of the Land. SELLER further advises BUYER that others may have been given permission to enter the Land including, but not limited to other licensees of SELLER. BUYER acknowledges these facts and agrees to defend, indemnify and hold harmless SELLER and its affiliated or related companies from any and all liability, claim or demand which BUYER, or any of its agents, employees or assigns may have or claim to have now or hereafter against SELLER or its affiliated or related companies as a result of the exercise of this grant of access prior to closing. The indemnification provisions of this Paragraph 11(d) shall survive Closing or any termination of this Agreement.

16. **ENVIRONMENTAL ACCOUNTABILITY.**

(a) This transaction is a commercial transaction by which a tract of land previously used as commercial forest land has been valued by and through negotiations, and is sold and purchased by and between commercial enterprises. SELLER has used the Land as commercial forest lands during its ownership. Except as set forth in Paragraph 30 as to certain Property, the records of SELLER do not reflect use at the Land of any Hazardous Materials, other than gasoline, diesel fuel, oil and grease, solvents and/or detergents as might be used ancillary to operation of motor vehicles, and small amounts of other miscellaneous materials used in connection with commercial forest land use.

(b) SELLER has no knowledge of any claim or notice of violation of any Federal, State or local law, regulation or ordinance governing the use, handling, storage or disposition at or upon the Land of any Hazardous Materials.

(c) BUYER has the opportunity to examine the Land from the date of execution of this Agreement by BUYER until Closing. It is BUYER's responsibility to have the site investigation completed prior to Closing, and Closing shall not be deferred by reason of the site investigation being delayed or incomplete. If the site investigation is delayed or incomplete, BUYER shall be deemed to have elected to proceed to Closing as if it had waived the site investigation. If BUYER's site investigation reveals the presence of Hazardous Materials on the Land which would mandate remediation under USEPA, or Georgia EPD laws or regulations, BUYER shall provide immediate notice thereof to SELLER and SELLER shall have sole and exclusive responsibility to provide any notification to any federal, state or local governmental agency, if notification is required by Environmental Law. At the same time BUYER shall abandon any legal or equitable rights in the Land to SELLER and return to SELLER any title evidence, surveys or other similar documents received from SELLER and BUYER's copy of this Agreement, whereupon all rights and liabilities of the parties hereunder or in any way associated with the potential purchase of the Land shall cease, except for the provisions of Paragraph 11 and 21 and other portions of this Agreement that specifically provide that they shall survive termination of this Agreement. If on the other hand BUYER (i) does not undertake a site investigation, or (ii) a site investigation is undertaken and the report reveals no Hazardous Materials on the Land above applicable federal or state cleanup standards, or (iii) BUYER chooses not to terminate this Agreement in accordance with the above provisions, then this Agreement shall proceed to Closing. At such Closing the Land shall be conveyed from SELLER to BUYER, and as between BUYER and SELLER, for themselves, and their respective successors and assigns, the conveyance by deed shall effectuate the parties' intent that all liability and responsibility under the Environmental Laws shall be transferred to BUYER (including specifically, but without limitation, liabilities under the Comprehensive Environmental Response Compensation and Liability Act, as amended, (42 USC 9601 et seq.) ("CERCLA") and corresponding state statutory authorities, for which SELLER and its affiliated or related companies shall thereafter be held harmless and blameless by BUYER, its successors and assigns, in any proceeding or with respect to any claim.

(d) Following closing, BUYER hereby agrees to indemnify, defend and hold SELLER, its affiliated or related companies and their directors, officers, shareholders, employees, affiliates, assigns and successors harmless from any claims, demands or causes of action brought pursuant to the Environmental Laws by any third party including governmental entities and agencies (including without limitation third party claims for personal injury or real or personal property damage) judgments, damages (including Natural Resource Damages as defined by CERCLA and corresponding state statutory authorities), punitive damages, penalties, fines, costs, liabilities (including sums paid in settlement of claims), interest or losses including attorneys' fees (including any fees and expenses incurred in enforcing this indemnity), consultant fees and expert fees that arise directly or indirectly from or in connection with the operation of the Land or the condition of the Land, including but not limited to the presence, suspected presence, release or suspected release of any Hazardous Material of any kind, past, present or future, whether into the environment, pavement, structures, tanks, containers, or other personalty at or on the Land or any other real property in which BUYER has or may acquire any interest.

Failure to comply with the provisions herein shall void the assignment. SELLER shall not convey title to the Land by means of multiple deeds, but rather by a single deed.
